### Import Tariffs

Bolivia is a member of the Andean Community (CAN) along with are Colombia, Ecuador and Peru. Although CAN has a common external tariff (CET) that applies to imports from third countries, it is a phased tariff structure that reflects the similar orientation of each members' tariff policies. The CET does not appear to be harmonized for textile and apparel products. Import duties are quoted ad valorem on the c.i.f. (cost, insurance and freight) value of shipments.
